## WE'VE LOST IT !

May the editors of Checkpoints humbly nominate themselves for the hard-luck trophy this month? Here it is, time to go with the magazine, and where is the material? Where are the write-ups of club events? Where is VMSC mumbles? Where are witty and amusing articles by kind-hearted members? Where, indeed! Who do you think we are, Rogers and Hammerstein, maybe? We need help! C'mon, now.

Here it goes--a strictly business issue. Better luck next month.

P.S. Merry Christmas
