News Tip on "The Spring Rally"

Is it a find your own way rally? Is it a poker rally? Is it a photo rally? Does it involve a treasure hunt? How many speed changes, if any? Will there be a regularity run along the route? What type of special tests are involved? It isn't a Hare and Hound Rally! You'll need an odometer.

Do you have a writing tablet and at least three pencils? Should I know anything special, like Man how high is up?

Folks you will enjoy this "reel rally" and we suggest you review the booklet "Let's Go On A Rally" published by Pirelli Tire Co.

Watch Checkpoints for further information!

Regards, Musgrove and Marble
