ALLEY

• FLASH! A VMSC charter member and a red-headed British lass have decided against a revolutionary war in favor of marriage. Congratulations are in order for Madison McClintic and Norma Pycock who have announced their engagement.

• Sad news comes from VMSC'er Bob Kwass, former treasurer, who literally took off for Houston, Texas, to work for American Airlines. We and his long-haired friends will miss him. Laurretta Dixon has taken over his duties as treasurer.

• CHANGES: The competition regulations have been amended thusly:

1. (h) Safety shall have paramount consideration in the operation of all events, and it shall be the responsibility of the O.D. to see that all reasonable precautions are taken--i.e. fire extinguishers are on hand, crowd control provided for, checkpoints properly located, drivers properly licensed and insured, etc.

The following proposed amendment to the by-laws will be up for members' consideration at the next regular business meeting:

ARTICLE III Membership (IV)

Members who have maintained Regular Membership in the club for eight years shall receive Life Member status. Life Members shall not be required to pay annual dues and shall receive all privileges of Regular Membership.

• VMSC would like to extend its appreciation to Mooers Motor Car Co., the Boulevard Import Service, and Foreign Cars Ltd. for their contributions to the trophy fund for the Old Dominion Rally.

• OLD NEWS: For the record, three VMSC'ers took part in the Nuts and Bolts gymkhana put on by the Peninsula sports car group on Labor Day weekend. Sunday's outing produced the following results: Bill Whitehead (Fiat 1500), second in sports "A"; Gene Atkinson (TR-4), second in sports "B"; Doris Belcher (TR-4), third in ladies' class.

• Nassau, mon?

• BOO! Better get out your witches' and "Great Pumpkin" costumes 'cause we are having a Halloween rally. The one-man band Milford Brinton will be the O.D. of the event.

Road Research Report:

What is the formula for success as a hound?

Add one novice navigator who can count and run like H _ _ _; and one driver who can "estimate" mileages to hundredths; multiply by a TR-4 with a sensitive nose that can smell out the most obscure white spots; and apply this factor to a curvilinear course laid out by Cecil and Edith Wright.

This was out first "hare and hounds" in over a year and it really hit the "spot". A goodly number turned out under dripping skies and were rewarded with an enjoyable four of lightly-traveled streets on the west side of town.

RALLY

Dear VMSC Members:

The tenth Old Dominion Rally is history and, I trust, a pleasant memory for all participants. Certainly VMSC can be proud of those who planned and carried out this outstanding event.

Personally, and on behalf of the entire Club, I express sincere thanks to rally masters Al Smith and John Ruble for an extremely well-done job. And Cecil and Edith Wright deserve special mention for their efforts in producing this rally. I'm sure that all who attended the banquet at the Belle Meade and the buffet at the Westwood Club appreciate Cecil's work in planning these very fine functions.

The list of those who contributed to the success of this year's "Old Dominion" would fill more space than is available. A long round of applause is due to those who checked and re-checked the rally route, to those who handled the endless detail of paper work and correspondence, to the check point stewards and their crews who capably manned the many stations along the route in some very inclement weather, and to the slide-rule crew who assembled the volume of figures and computed the results.

Congratulations to John and Al and to their many helpers on their winning combination of talent, time and hard work.

Sincerely,

Kendall P. Parker
