Last year, in the land of Mercedes, BMW, Audi and Porsche, 23,000 Germans bought Alfa Romeos.

(Perhaps they know something you should know!)

With those famous cars to choose from, almost 23,000 knowledgeable German drivers chose Alfa Romeo.

Why? Because Alfa Romeo combines exciting performance with distinctive Italian styling to produce a car that may have no equal anywhere in the world. The **SPRINT VELOCE**, for example. You do more than just drive this car. You experience it. **FEATURES HIGHER PRICED CARS DON'T OFFER.**

The 1978 **SPRINT VELOCE** gives you four advanced engineering features as standard equipment that you can't get even as options in the Porsche 924 and BMW 320i even though they cost up to \$2600 more than Alfa Romeo.

Here's what makes Alfa Romeo one of the world's best road cars . . .

- An **all-aluminum engine**, for exciting acceleration and effortless cruising in the Gran Turismo manner.
- **Double overhead camshafts**, for ample power in passing or emergency situation.
- **Five-speed gearbox**, fully synchronized, smooth shifting and a miser on fuel in overdrive.
- **Four-wheel power disc brakes**, for dependable stopping power.

Exciting options for extra pleasure.

You can order an AM-FM stereo radio and tape player. Cast alloy wheels. Air Conditioning. Glamorous new metallic paints.

The new Alfa Romeo GT costs only \$8,695*. So for the price of a good car you can own a great one. Call us for a test drive. Driving may never feel this good again.

Barbara Says ...

..."Thanks for all the gifts and cards, phone calls and visits. It's good to know I have so many friends who care. Thank you all so much."

I visited Barbara and she is looking good and is making the best of an impossible situation (and position). As I sat in the chair at the foot of the bed, I noticed a hippo peeking out from under the covers around Barbara's cast. But with Barbara lying there with one leg strung up in the air and the other flopped of to the side of the bed and nothing on under her gown, I just couldn't ask her why that hippo was smiling. And all Wilt gets to do is rub her feet with lotion. Hard times, eh Wilt?
