THE proprietor of Fin & Feather entered the familiar surroundings of his store room recently, only to fall over some of VMSC's autocross equipment. There is no excuse for this. Where our equipment is and is not to be in that room is well-known. The entrance area and the "second" door inside the room are to remain clear to prevent just this problem. Our stuff is to stay primarily beneath the attic steps. Our apologies to the Fin and Feather folk...

YOUR financial analysis committee continues to toil in pursuit of financial solvency. It is interesting to note that any discussion of money always touches on the subject of membership apathy. It has been decided that any show of apathy will be rewarded with an expense-paid trip to the Wayne Newton Music Festival hosted by James Watt...

THE last board meeting failed to have a quorum...

SEPTEMBER'S Board Meeting will be held on Sept. 8 at Jet & Doug's apartment at 8:00 p.m. Call for directions.262-6898...

IF you know a member who has not been receiving Checkpoints, tell him to call Doug at 262-6898 and complain appropriately...
