Other Stuff

Zeus is a freind of mine, and I think it was gross of the editors to print last month:

"Hey Zeus, they are going to nuke an unborn gay whale for you!"

I'm sure you saw it, and are similarly affected.

Other things that are a little off: #1. Saw an average businessman come out of Trak-Auto and get into a Ford hearse. Looked at the license plate as he drove away - - "BUNNY". Also, noticed a radar detector on the dash. Hmmmmmm! #2. License plate - - "BMW 1". You know what kind of car it was on, right? A 2 year-old Mercedes 4-door sedan!

Went out of town this week and came back by way of Windsor, Waverly & Wakefield. Also, Zuni, and Ivor. Along the way I was thinking about the preoccupation with fowl during the holiday season(s). The ubiquitous VMSC turkey? Anyway, I saw this store with sign out front - - - - - "Woodpecker Decorating Service". No, I didn't go in and I didn't ask, but I'm wondering!

Hey Zeus, happy birthday! And a Merry Christmas and a Happy New Year to you all!

The Editors would like to thank all those who contributed to the Checkpoints effort in 1983. Without your help, copy, photos, praise and criticism, Checkpoints would not only be impossible, but pointless. To all those at whom we poked fun, we give assurances that it was out of appreciation of their efforts on behalf of VMSC that we raised them up before the readership. With sincerity we proclaim you the finest motor sport organization in Virginia.

At the end of 1983 some of our objectives have been met. Our big problem of lack of attendance at our events has improved some but next year we have to work harder on this problem. I like to repeat an old saying that is applicable to the Club and the solutions to this problem; "When you are up to your ass in alligators, it is difficult to remind yourself that your initial objective was to drain the swamp."

Annual Report from the Large Members on the
VMSU Board of Directors

When we were asked to serve on the Board, we were really flattered! We knew that we were in good shape and all, but didn't think that our great definition was appreciated. Those new jeans must reveal much more than just our bulging thigh muscles, ~~but our protruding and pulsing~~

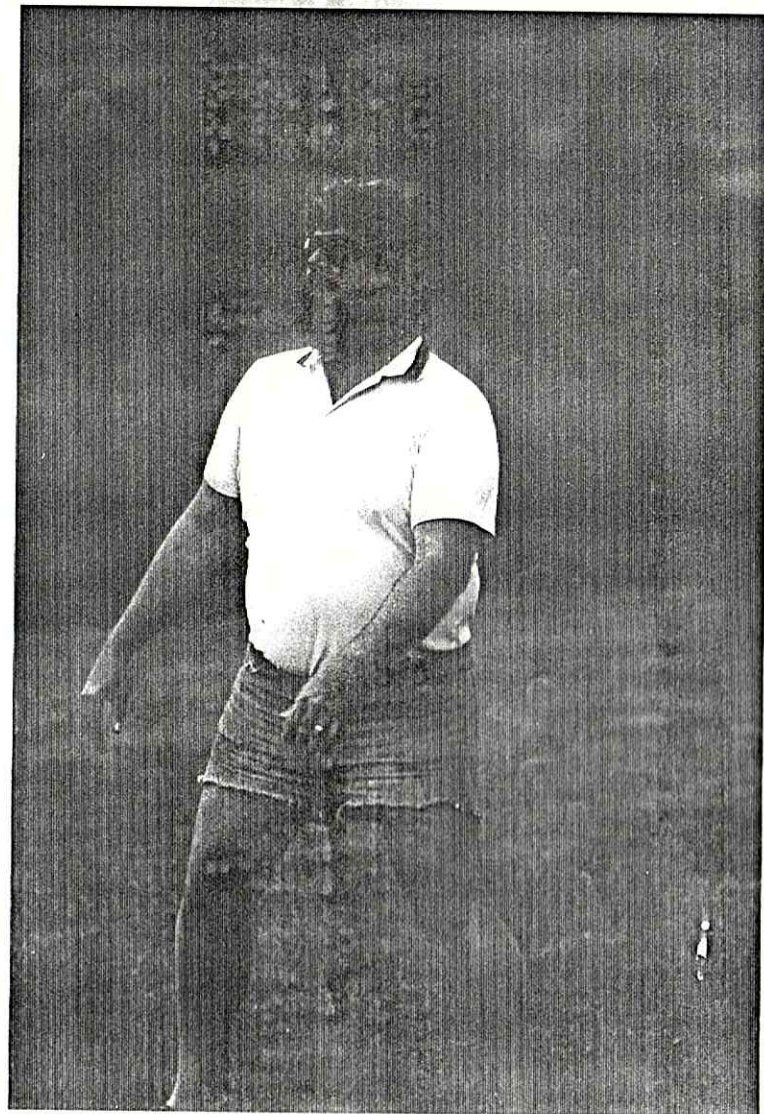

NARCISSISTIC NUMB SCULL! — IT'S
MEMBERS AT LARGE, NOT LARGE MEMBERS!

Oh! I see. Well, never mind!

End of Report.
