# SCHEDULE

Greetings,

1986 is upon us and I am looking forward to a wonderful year, both personally and with the Club (basically one in the same). We are planning an exciting year for the VMSC with a stimulating Rally schedule, a bold Autocrossing season and rousing social events. It will be a good year for all. And for those who we haven't seen in a while, come on out!! We can guarantee a good time.

Just a short speech before you continue on with your reading. It is very important for the Club to increase participation in all aspects of it's interests. We cannot continue as we have been. I'm sure you have already reviewed the highlight of this issue, the Year End Points. In case you haven't kept up with the changes, Overall Year End Trophies are awarded to the top 11 positions only. This is a sizable cut from the previous practice of awarding to the top 20, but necessary. Whereas it was the norm to pull 20 teams for a Rally and 50 cars for an Autocross, times have sadly changed. I'm sure all reading this are familiar with the situation. And you can bet on hearing about it from me this year.

Something else you'll be hearing about are the changes in the works concerning advantages to being a VMSC Member. Club members may look forward to discounts on all event entry fees in 1986, also a discount on Club merchandise. Our goal is to make being a VMSC member an advantage to those interested in motor sports in the Richmond area.

Lastly, but most important, we need to hear from you. We need your input and ideas. There is only a small group of the very active members left and our minds are drawing blanks when it comes to new ways to tackle old problems. We recently received some very good thoughts from a life member who, although he has been unable to participate the last few years, he has supported the Club in an invaluable way. Don't feel you've been 'Out of it' for too long or 'Too new to the Club'. These could be advantages when viewing our problems. Don't let the Club down when it needs you the most. Hasn't the Club supported you in your motor sports endeavors???

Well, even though it is unusual for me, I have rambled on too long. I sincerely hope that you will consider all I have said.

Respectfully yours,

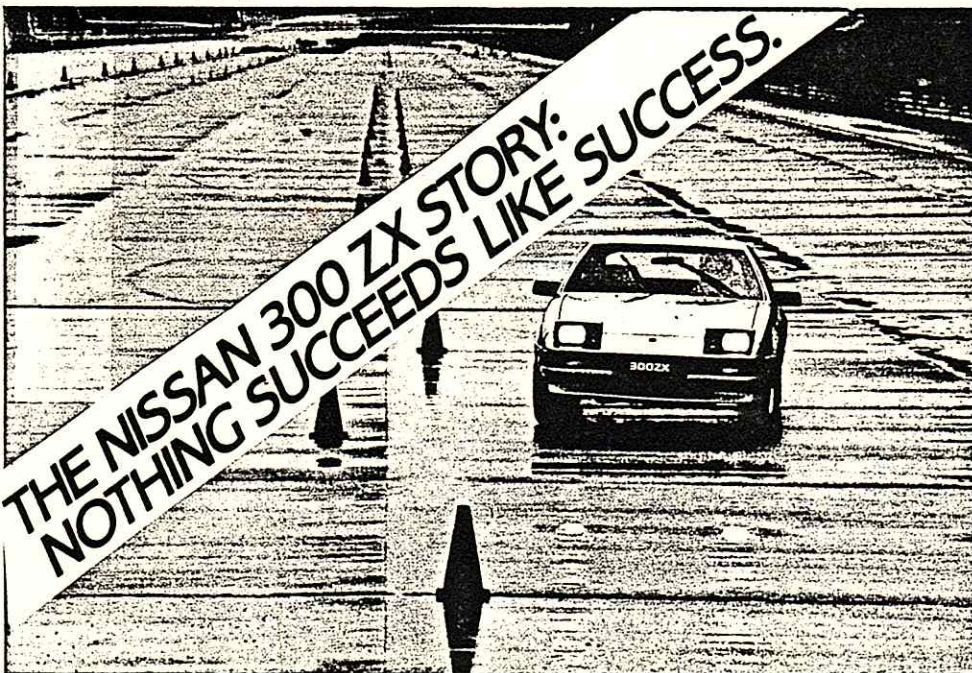

Beth S Mills
