Happy New Year!

Now that 1990 is over and the banquet is upon us, my thoughts turn to the 1991 season and making VMSC even better. Not only is VMSC known as one of the oldest continuously active car clubs but we are also known for the quality of our events, commitment to the sport, and for the sportsmanship of our members.

So how do we improve on that? One way we can improve is to get to know each other better. I have therefore asked Beth Mills and Jessica Mills of our Social and Indoor Activities Committee to plan some get-togethers after meetings, events and at other times throughout the coming year. If you have any ideas regarding social events or if you can help out in any way, please give them a call or talk to them at a meeting. I know that your opinions will be welcome.

The other way I feel we can improve is in the quantity of our members. We have gotten some good new members in recent years but we have also lost quite a few. I would like to challenge all VMSC members to bring their friends and acquaintances to meeting and events. If you have any ideas to improve membership, please give Bill Hunter, chairman of the membership committee, a call. In fact every member should consider himself or herself to be a member of the membership committee. It is that important.

These are the two important things that all of us can do to help. There are come little things we can do too. For example: we can make it a point to wear our name badges so visitors (and members) we don't know will feel more at ease. With your help we can keep VMSC the best sports car club in the area, if not the entire east coast.

Last but not least, I want to thank everyone in advance for helping to make 1991 the best year yet.

Sincerely:

H. Scott Powell, Jr.  
President

## **In Memorium**

---

The members of the Virginia Motor Sport Club extend our deepest sympathies and condolences to the families of Dr. John Frederick DeBardeleben and Mr. Cecil S. Wright in this time of sorrow. Their passing was a shock to all. They will be deeply missed and never forgotten.

Fred joined VMSC in 1971 and worked hard at promoting the sport and the club. He was instrumental in raising the level of excellence of our events. His relaxed nature, caring attitude and willingness to help, will always be remembered. Fred was a rallyist extraordinaire, a friend and a true gentleman.

Cecil joined VMSC in 1962 and was President in 1965. He supported the club and the sport in every way. His warm manner, friendly smile and words of encouragement will be remembered by all. Cecil exemplified good sportsmanship. Cecil was a fine competitor, a comrade and another true gentleman.

## **A Wilton Construction Services Estimator Is No Stranger To Remodeling, No Stranger To Insurance Restoration, And No Stranger Than Most Folks From Powhatan.**

People in Powhatan just have to be different. Take Wilton Construction for instance. In a few years, they've grown to be one of the largest remodeling companies in central Virginia, tackling mean insurance restoration jobs and excelling in a wide variety of remodeling projects. Their decks, new kitchens, garages, Florida rooms, and solar additions are transforming ordinary homes into showplaces.

And they're not resting on their laurels. Now, they offer a 24 hour emergency response to secure damaged property from further damage by intruders or the elements. Now, they offer a 5 year Home Owners Warranty on their work even if the house is sold. Now, they promise to make contact within 24 hours of your call and usually can have an estimate within 48 hours.

Strange that a company already so good at what it does keeps getting better. But, that's Powhatan for you.
