Who? What? When? Where? Why?

The best of drivers sometime have problems. Tommy Kendall was leading a recent IMSA GTP race when he was knocked off the track --- by his own teammate. A.J. Foyt was knocked out of the Indianapolis 500 by debris from another car. Nigel Mansell lost the Canadian F-1 Grand Prix when his gearbox messed up --- on the last lap. Davy Allison lost the Charlotte Grand National race on the next to the last lap while under the yellow --- he ran out of gas. And our own Richard West ODeD a great Autocross on May 11th, ran at least 6-8 runs, remembered where the course went, but forgot that you are not supposed to hit the pylons --- he gathered in at least 1 pylon on all but 2 runs.

The VMSC/IBD Rally for Big Brothers/Big Sisters on May 5th was a mild success. All of the contestants had a really great time especially the one team that kept wandering off-course. Each team stated that they enjoyed the three theme concept; a poker leg, a sign hunt leg, and a TSD leg. The weather cooperated and everyone including the workers had a blast at the IBD party at the finish. IBD had plenty of food & drink, some fantastic music from a great DJ, door prizes, dash plaques, neat T-shirts for the workers, and even a mini hot air baloon. If you missed the event this year, we suggest you plan to attend next years version. A Special THANK YOU to all who worked the event.

The July 14th Rally has been re-scheduled for August 4th. Tune in next month for more info and flyer.

The October 13th Rally has been cancelled. If anyone would like to OD a rally, here is your chance. A quick look at this years schedule indicates a great lack of rallies, so if you can squeeze putting on a rally into your schedule - it would be appreciated by all the other rallists. Please call Mike Weedon at 226-8387 and volunteer. Many Thanks.

The June regular meeting has been re-located to EXTRA BILLY'S on Broad Street (see cover for details). This is a one time only move to avoid the dreaded basement of the Rescue Squad in the heat of summer where even your best deodorant breaks down. The management of Extra Billy's was very kind to have us on such short notice, so please plan to attend and have a great dinner at reasonable prices. The food is excellent with plenty of choices for the finicky diner, the atmosphere is above par, and the prices are truly within everyones budget. Since Extra Billy's is helping us, let's reciprocate. If you can't make dinner, at least come to the meeting and keep up on the latest happenings or pick up a trophy or just join us for some fun and socializing. See you at EXTRA BILLY'S on June 20th.

The Hoezels have moved again, so please update your copy of the membership list as follows:

HOELZEL, Dr. Charles & Charlotte 109 Small Drive Elizabeth City, NC. 27909

The location for a new meeting place is being taken under advisement by the Board. If you know of a suitable place where we can meet, preferably with a central location and at little or no cost, please notify Wilt Greenwood (282-1493). This is not a crash project as we have not lost the Rescue Squad Building but are merely checking out options. Thanks.

After weeks of careful planning does your editor find himself with a two inch space and no article for said space? Primarily do to dead brain cells at 11:00 p.m. on a Friday night and setting ones typewriter on 12 pitch when you calculated your spacing for 10 pitch. We have no "why", nor "why not", so why ask "why", we'll just use some filler.

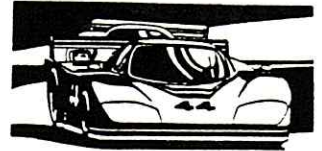

Richard West is still looking for a home for his 1984 Honda CRX and accessories. Give him a call and he'll make you a deal. See May issue for greater detail on this incredible offer.

If you want to know how long it takes to turn a car into scrap metal, call Bill Hunter and ask him about the Mid-Ohio race. If you desire to support your local racing team, send Bill your excess cash and he'll thank you.

Comic Relief

Many characters that appear in cartoons, comic books, comic strips, TV cartoon shows, etc. have first and last names that begin with the same letter (ex. - Mickey Mouse). How many can you list?

- 1 - 24 = nerd
- 25 - 50 = party animal
- over 50 = run for congress

K O M E D Y K O R N E R

Being a male chauvinist, I never really believed the rumor that claimed that husbands never really listen to their wives until I visited the Santagata's the other night. As I approached the front screen door, I overheard Judy telling Tony about a newspaper article that stated that most automobile accidents occur within five miles of home. Tony, reading a copy of Checkpoints, calmly replied; "That's nice dear, do you think we should move?"

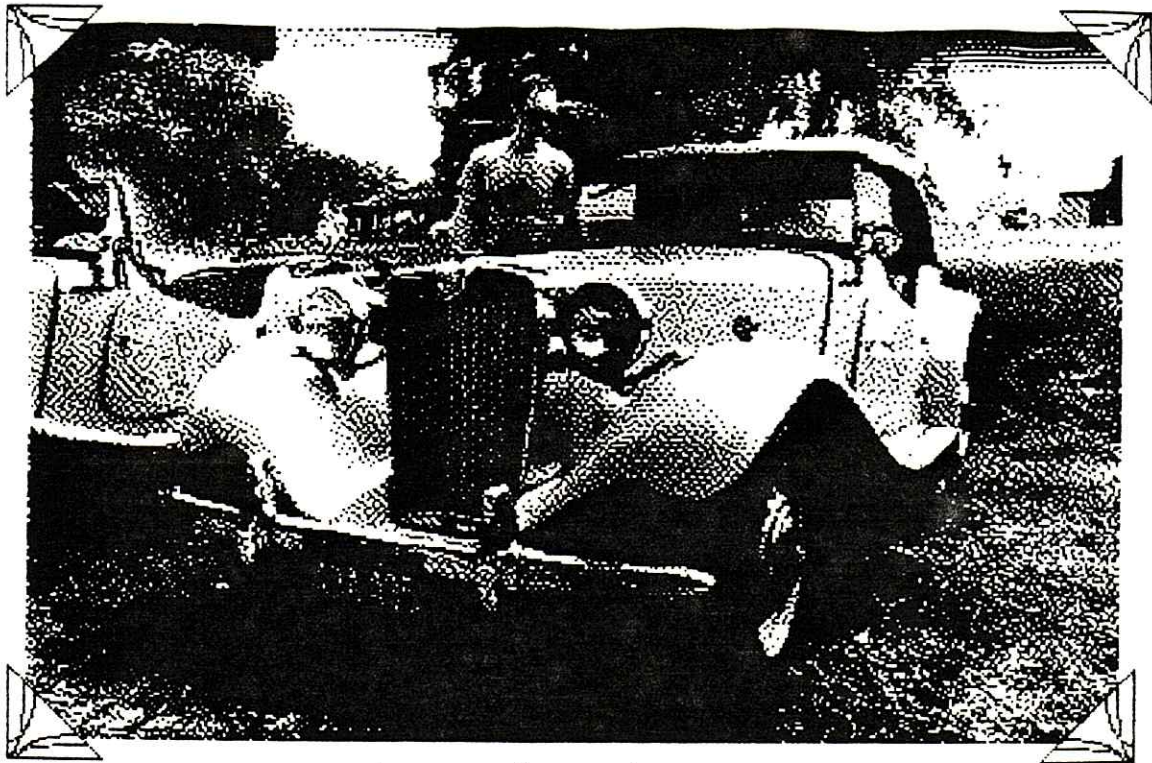

Always speak the truth, then leave quickly.

Never argue with a fool, people may not know the difference.

At the May Autocross, Chip Williams was overheard explaining the finer points of 'crossin to his wife. After patiently listening to a rather long list of do's and don'ts, Karen smiled and said; "and then may I go to the ball?"

Remember, Spring is nature's way of saying - Let's party.
