Introducing...

** MICHAEL J. HOLLANDER **

Michael resides at 13938 Sagebrook Road in Midlothian, VA. (23112) with his lovely wife Diane and may be reached at 744-0882. Michael is employed at E. R.

Carpenter as an Environmental Manager. He has rallied, autocrossed, worked both, and raced. He is a past member of the South Carolina Sports Car Association, the Clemson Sports Car Club and is currently a member of both SCCA and PCA. Michael is interested in rallying and autocrossing and when not doing car stuff, likes photography and golf. You may see Michael cruising around in either his 1983 Porsche 944 or his Datsun pick-up.

** FORREST L. KEETON **

Forrest resides at 8417 Halesworth Road in Richmond (23235) and may be reached at 272-2357. He and his charming wife Amy have one son, David. Forrest is self-employed at Carpets-R-Us. He has autocrossed with VMSC and is also interested in rallying and autocrossing. Forrest may be a bit harder to spot motoring around town, you must watch for a Chevrolet Camaro or a Chevrolet Caprice or a Buick Skylark or a Ford van or a Subaru DL or a magic carpet.

A warm welcome to our newest members, please make them feel at home.

GOOD LUCK: VMSC bids farewell to members Holcombe and Cindy Baird. The excitement of new jobs and greater challenges has lured them to Ohio. We will miss the Bairds and wish them all the best. If you wish to write, their new address is 902 Surrey Ridge in Cincinnati (45245).

CONGRATULATIONS: VMSC member Tom Millhiser was recently named Chairman of the Board of the Virginia Capital Chapter of the American Red Cross for 1991-92. Tom has been a volunteer for the past six years. We wish him good luck.

K O M E D Y K O R N E R

Not long ago Wilt Greenwood attended his 30th High School reunion. He was promptly approached by a classmate he hadn't seen since graduation who cried, "Wilt, you look just like you did in school. You really haven't changed a bit". "I know", Wilt replied. "And it was terrible going through High School looking like a 50 year old".

The other day I went into a store and bought a new sofa. I asked the clerk how much they charged for delivery. She replied, "\$20.00 for quick delivery and \$10.00 for standard". I said that I was in no hurry and then quipped, "just in my lifetime". She smiled and said, "That will be \$20.00 please".

I recently had to fly to Denver and was booked on one of the new economy flights. When the flight attendant asked if I would like some dinner, I asked, "what are my choices?" She replied, "Yes or no".

I finally figured out why the Postal Service raised its rates. The extra 4¢ is for storage.

The other day my secretary at work showed me a letter she said was obviously for her. It was addressed, "To whoever has to do all the work".

Russia's first Pizza Hut opened in Moscow recently and they guarantee delivery - if your pizza is not delivered within 30 days, you get it free.

A caterer was preparing a meal for a recent Big Brothers/Big Sisters fundraising dinner where Jay Mangan was speaking. After waiting in the doorway for awhile, the caterer asked a nearby Big Sister, "Do you think he's about finished?" "Oh, he finished about half an hour ago," she replied. "He just hasn't stopped talking yet".

The most honest will in legal history read: "Being of sound mind, I spent it all".

Definitions.

Parking space: That area that disappears while you race around the block.

Traffic light: A little green light that changes to red as you approach.

Yield sign : A warning sign to all drivers on the main road that cars are entering from a side road without slowing down.

The computer is the greatest invention of all time. It has created an entire generation of humans who no longer make mistakes.

ATTENTION: There is a possibility that we can obtain some cast car badges for reasonable prices, if there is enough interest. If you would like to order a badge or just get more information, contact Shelia Hunter.

IN THE WORKS: Coming soon to a parking lot near you (and not so near) will be the first annual Virginia Autocross Championships. The Virginia Motor Sport Club, the Tidewater Sports Car Club, and the Old Dominion Region of SCCA will each host one event. Competitors will be awarded points at each event, in addition to normal awards, and those who accumulate the most points in each class for the series, will be crowned State Champion for the year. If all goes well, this series will be expanded to include more clubs and will become a yearly high point in local Autocrossing. Watch your mailbox and this publication for more details.

FOR SALE: 4 Yokohama 205/60/14 tires (008 R's) in excellent condition and -----
 4 Yokohama 185/60/13 tires (001 R's) in good condition and -----
 2 snow tires (AT 8x13) mounted on Toyota rims.

No reasonable offer will be refused.

Call Earl Rogers at 794-9541 (H) or 230-1319 (W).

We welcome Earl back to the U.S. from his recent journey to the Persian Gulf area and hope to see him at an autocross soon.

AROUND RACING (BRIEFLY): Congratulations to MAZDA for their recent LeMans 24 hour overall win. Condolences to Aryton Senna on his second loss in a row on the F-1 circuit (he's human afterall). A funny car at a recent IHRA event hit a standard rubber pylon and promptly disintegrated (okay, he was doing 200+ mph). At NASCAR's Pocono race, we answered the question; how many workers does it take to corral a chicken on the track, about a dozen.
