EDITORIAL MISCELLANY

Well, for those of you who are getting sick of the puerile efforts of the current Editor, this is the last month that *Checkpoints* will go out over the Greenwood signature. As noted earlier in the year, Doug and jet Burton have agreed to take over from the July issue through the end of the year, and we wish them luck. Our help remains available, if needed, but the buck stops at the Burtons'. O.D.'s, please help them out as much as you can by getting your flyers and results in as early as possible.

As you can see from Page 1, we're having Autocross Scheduling Problems again, due primarily to the dearth of folks willing to be O.D.'s. We wound up last month with an event that never had a flyer in *Checkpoints* - this month we're forced to announce the postponement of an event already advertised. To make it worse, the date to which the event had to be rescheduled causes a conflict with an out-of-town event. Granted, that one's in Roanoke and probably few of us would have attended, but it's still a State Championship event, and it still rankles that it seems to be so difficult to find people. Oh, well, many thanks anyway to Bill Shelley and Dick Boogher for coming to the rescue at the eleventh hour - Tony Santagata says the rest of the year's events are all spoken for, so maybe our O.D. problems are over. Now we just need to find enough good sites.

Speaking of the need for people, Beth Mills and Shelia Hunter have asked that we issue a strong call for volunteers to help with the IBD Rally on the day of the event - they're desperately needed. Call Beth or Shelia if there's any way you can work - you get free goodies, 400 meeting points, a pass to the "Rat Race" party, and a chance to feel good about helping out the Club, the IBD, and Big Brothers & Big Sisters.

Robin Boogher informs us that refreshments will be served at the Club meeting on June 18, courtesy of VMSC. She hopes that the opportunity to hang around and socialize after the meeting will convince some of you whom we haven't seen a lot of lately to come out. The Honda Training Center facility which Rick Carr has made available to us for a meeting location is really nice - lots of room, very clean, and generally impressive. Don't forget that we'll be voting on the Points Event standing of the May autocross - if you have an opinion, you need to express it with your vote. We're optimistic for a good turnout.

The inclusion of a July 18 event flyer in this issue may seem a bit early, but we don't want anybody to use lack of notice as a reason not to run (besides, Neale got the flyer to us in time to easily get it in - please note the good example). The Hosts/O.D. are promising a genuinely simple rally and a potentially great summer party - your Editor would personally recommend being at both, but if you can only make one or the other, no onus is attached. Unfortunately, we (the Greenwoods) will be on vacation out of the country and can't make it, but nothing less serious will be accepted as an excuse - be there!
