## EVENTS CALENDAR

JANUARY, 1993

### JANUARY 21

VMSC's first regular meeting of 1993, at Forest View Rescue Squad, Forest Hill Avenue, 8:00 p.m. Matters concerning Board positions as well as notes on the Banquet will be discussed.

### JANUARY 31

Final event of the Wintercross Series III event, this time at Food Carnival. **NOTE CHANGE OF DATE FOR THIS EVENT!!!**

### FEBRUARY 4

VMSC Board of Directors Meeting at Mike Weedon's office, Datura Corp., 1926 East Parham Rd. 8:00 p.m. Present plans are to use this location for all Board meetings in 1993 unless otherwise publicized.

---

As of January 9, six Board of Directors positions remained unfilled. If you are in a position to assist VMSC in an administrative capacity in 1993, please contact Mike Weedon at 226-8387. Your assistance may insure VMSC's position as one of America's longest-surviving motor sports organizations.

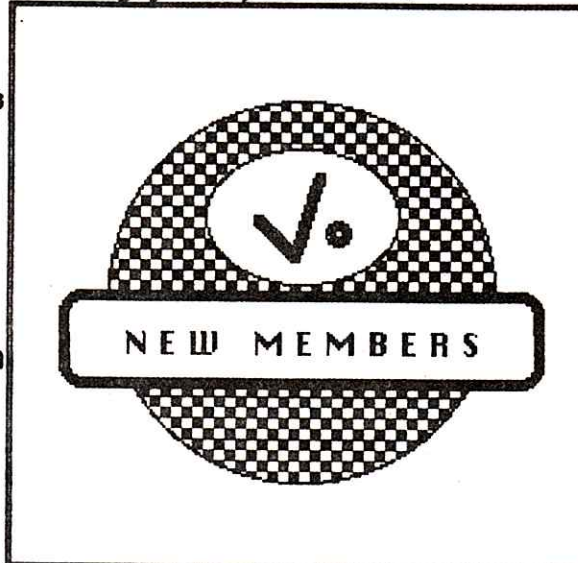

Wilt Greenwood is presently constructing VMSC's 1993 Rally Program. If you would like to OD a rally, contact him at 282-1493.

# Welcome to VMSC!

**PAUL WHELAN** is an electronics technician for TARMAC Corp. and lives at 3037 Sherbourne Rd. in Richmond. He is single. He owns a 1964 Chevrolet Corvair Monza which he auto-crosses in H-Stock. The car is a twin-carb 110 HP coupe with 4-speed trans which presents a great "vintage racer" appearance with its red and blue offset racing stripes and slotted 13-in. alloy wheels. Paul has rallied and auto-crossed in Tidewater and has even put on a rally there (Did you get that, Wilt?) He's also a member of the Tidewater Corvair Club, the Central Virginia Corvair Club, and the Nash Club. Paul indicates on his application that he is interested in all our activities, and lists his primary interest as "racing". A new contender for Bill Lloyd's here-to-fore proprietary Chevy marque trophy? time, or "times" will tell!

**WELCOME TO VMSC!**

**DR. R. H. ROBINSON** is an optometrist in private practice and lives at 1808 Belleau Dr. in Bon Air. He is married to Angie, and they have a 10-month-old son whose name I couldn't read on his application. (vision's the first thing to go - maybe I need to see this guy - ed.) He owns a

1976 Porsche Targa and what has to be the most seriously massaged Volkswagen Beetle ever to menace this club. A 1966 Sedan, the engine has been bored and stroked to 2213 cc's. Carburation is by dual 48mm Weber IDA's, the connecting rods are Carillo custom manufactured, the cam is a custom grind featuring .568-in. lift and 310 deg.

of duration. The cylinder heads were modified by Gene and Clyde Berg (you 60's hot rodders will recognize those names), and the exhaust header is ceramic-coated. The transmission is also a custom piece. The beast weighs 1720 lbs. all up, and what all this stuff

translates to when push comes to shove is 12.90 seconds at 104 miles-per-hour in the quarter-mile! The good doctor sent us a 2-page rundown on his car, and apologized for not typing it. (This is my kind of contributor - ed.)

**WELCOME TO VMSC!**

**FORMULA CAR DRIVERS BEWARE!** If you or anyone you know would like to join one of America's oldest motorsports clubs, contact our membership chairman, Bill Hunter, at 883-6557 after 7p.m. or mail him an application at Rt. 1 Box 3245, Montpelier, Va. 23192.

**VMSC - COMING UP ON 50 YEARS OF FUN - FAST!!!**
